## **DETAILED OFFICE ACTION**

### **Faxing of Responses to Office Actions**

In order to reduce pendency and avoid potential delays, TC 3700 is encouraging FAXing or responses to Office Actions directly into the Group at (571) 273-8300. This practice may be used for filing papers, which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into TC 3700 will be promptly forwarded to the examiner.

1. Claim 1 has been amended for further examination. Claims 7, 14 and 18 have been canceled.

### ***Terminal Disclaimer***

The terminal disclaimer filed on May 24, 2006 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of Application 10/685, 406 has been reviewed and is accepted. The terminal disclaimer has been recorded.

*Allowable Subject Matter*

2. Claims 1-6, 8-13, 15-17, 19 and 20 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: No prior art of record teaches or fairly discloses a birthday calendar comprising: a rigid unitary backing wherein the backing defines a first and second section; a single-sheet twelve-month chart disposed on the first section of the backing; the chart having vertical and horizontal parallel arranged intersecting lines imprinted thereon defining memorandum spaces; a transparent protective cover disposed over the chart; a monthly calendar disposed on the second section of the backing, wherein the monthly calendar is made from whiteboard; a plurality of attachment members for removably attaching the monthly calendar to the backing; wherein both the chart and the calendar are simultaneously visible.

The Newberry reference does disclose a calendar having a unitary backing defining a first and second section; a single sheet, which can comprise any indicia; and a transparent cover disposed over the chart. However, Newberry does not disclose wherein the monthly calendar is made from whiteboard.

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Malcolm et al, and LeCompte disclose similar calendar and charts.
